Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Friday 06 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers fading tonight then further rain in west by dawn.

This Evening and Tonight:
Heavy showers continuing into the evening, before easing overnight. Clear spells developing, with most parts dry, but staying rather windy. Further rain moving into the northwest during the early hours. Minimum temperature 11 deg C (52 deg F).

Saturday:
Rain across northwestern areas clearing north and east through the morning. Sunny spells at first elsewhere. Cloud soon building with heavy showers developing across all areas into the afternoon. Breezy. Maximum temperature 22 deg C (72 deg F).

Outlook for Sunday to Tuesday:
Breezy with sunny spells and showers Sunday and Monday, with a risk of thundery downpours. Drier Tuesday, with some sunny spells, but a few showers still possible. Feeling rather cool.
